Respective responsibilities of the body and the auditor

This smaller authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The smaller authority prepares an annual return in accordance with proper practices which:

- summarises the accounting records for the year ended 31 March 2016; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

Our responsibility is to review the annual return in accordance with guidance issued by the National Audit Office (NAO) on behalf of the Comptroller and Auditor General (see note below). Our work does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and does not provide the same level of assurance that such an audit would do.

Trust Fund Disclosure

Box 9 on Section 1 and Box 11 on Section 2, the trust funds disclosure note, was left unanswered for 2015/16 on the Annual Return. The Council has confirmed that this box should read 'No'.

Retention of audit documentation

The Council submitted its Annual Return for audit on the 23 May 2016.

Guidance requires that appropriate information is provided to the auditor, upon request, where required for the audit.

We requested the following information from the Council;

- Notice of Appointment of Date for the Exercise of Electors Rights for 2015
- Completion of Audit Notice for 2015

The Council has been unable to provide the above information, as they have not retained these records from previous years. It is the clerk's responsibility to maintain the records of the Council for a period of no less than five years, as per paragraph 13b of the Accounts and Audit Regulations 2015 and paragraph 14 of the Accounts and Audit Regulations 2011. The clerk has confirmed that all notices were displayed appropriately and for the correct period of time.

The Practitioners' Guides 2014 and 2016 both state the steps the Council needs to have undertaken during the financial year in order to respond positively to Assertion 4. The Practitioners' Guide 2016 explicitly states that when considering Assertion 4, councils need to review the notice and inspection procedures relating to the previous year's annual return and therefore, the documents that are required for audit relate to the previous year as well.

The Council should ensure that, in future years, it retains all necessary audit documentation in order to respond to auditor requests in accordance with the requirements.
